

ENEÀ
CONTRACT

GLOBAL | JOSEP LLUSCÀ

ENEAA inició su actividad el año 1984, enfocada a fabricar y comercializar mobiliario de diseño contemporáneo. Durante estos años ha tenido una evolución excelente, con importante presencia en el mercado mundial y en multitud de edificios singulares, de la mano de prestigiosos arquitectos. A parte del reconocimiento del mercado, ha obtenido numerosos galardones, refrendando su diseño innovador y personalizado, acabado, siempre, con una calidad de materiales y procesos enfocados a la excelencia. GLOBAL diseñado por Josep Llusçà para Enea.

ENEAA started its activities in 1984, focussed on manufacturing and marketing contemporary design furniture. The evolution has been excellent since then. The company enjoys a significant worldwide presence in the market and in several outstanding buildings, collaborating with prestigious architects. In addition to the recognition in the market, it has been awarded with several prizes which endorse the innovative and personalised design of the company, always finished with high-quality materials and processes that focus on excellence. GLOBAL designed for Enea by Josep Llusçà.

CALL TO BEAL

GLOBAL se presenta en una gran variedad de acabados y colores. El acabado monocolor integral abre nuevas posibilidades a la hora de integrar y personalizar diferentes ambientes.

GLOBAL is available in a wide range of finishes and colours. The single colour finish throughout opens new possibilities in terms of integrating and personalising different environments.

JOSEP LLUSCÀ

Barcelona, 1.948

Diseñador Industrial por la Escuela Eina de Barcelona, ha sido profesor de su Departamento de Diseño de Producto y miembro de su Consejo Rector, Vicepresidente de ADI-FAD, miembro del Consejo de Diseño de la Generalitat de Catalunya y del Consejo Asesor de la Fundación BCD.

Desde 1972 ha colaborado con prestigiosas empresas internacionales: Blauet, Bra, Cassina, Driade, Enea, Escofet, Estel, Flos, General Electric, Metalarte, Permasa, Rosenthal, Vilagrassa, WMF, etc.

La diversificación de sus proyectos le ha permitido colaborar en áreas industriales tan diversas como: iluminación, mobiliario, packaging, electrodomésticos, juguetes, menaje o equipamiento urbano.

Sus proyectos han sido objeto de estudios y reseñas en numerosas publicaciones especializadas, libros y monografías, e incluidos en colecciones permanentes de museos, y exposiciones internacionales, impartiendo también seminarios y conferencias en eventos internacionales de diseño.

Ha recibido prestigiosos premios de diseño: Delta de Oro y Plata de ADI-FAD, LAUS de ADG-FAD, "Industrial Design Excellence Award" de la I.D.S.A (USA), "IF Product Design Award for Excellence Design" del IF-Industrie Forum Design de Hannover, "Best of Neocon" en Chicago, "ID Honourable Mention in Furniture" en Nueva York, "Bronze Award" del Institute of Business Designers (USA), "Award for High Design Quality" del Design Zentrum Nordrhein Westfalen de Alemania, el "Premio Nacional de Diseño" en España, etc.

Industrial designer from the Eina School of Barcelona, teacher in the Department of Product Design and member of its Advisory Board, Vice President of ADI-FAD, member of the Design Council of the Generalitat de Catalunya and the Advisory Board of the BCD Foundation.
