

Magis — "Me too, yo también, moi aussi, ich auch, anch'io..."

Magis – Me too

designers

*Me Too was established to create
a world made for children.
It is the fruit of our encounter
with designers from around the world
who can still think, look at
things and dream like children,
together with Magis.*

Me Too nace del deseo
de crear un mundo a
la medida de los niños y del
encuentro con diseñadores
de todo el mundo, que
todavía saben pensar,
mirar y soñar como niños:
junto a Magis.

Me Too est issu de deux
choses : le désir de créer
un monde à la mesure des
enfants et la rencontre
avec des designers du
monde entier qui savent
encore penser, regarder et
rêver comme les enfants :
avec Magis.

Me Too entstand aus dem
Wunsch, eine auf Kinder
zugeschnittene Welt
zu schaffen und aus der
Begegnung mit Designern
aus aller Welt, die noch
wie Kinder denken, schauen
und träumen können:
gemeinsam mit Magis.

Me Too nasce dal desiderio
di creare un mondo
a misura di bambino
e dall'incontro con designer
di tutto il mondo,
che sanno ancora pensare,
guardare, sognare come
i bambini: insieme
a Magis.

Two ways of sitting without ever being still. Rocky, the unbeatable, indestructible rocking horse. Pop, the light seat that can take anything.

Dos maneras de sentarse sin estarse nunca quietos. Rocky, el invencible e indestructible caballito balancín. Pop, la sillita ligera pero resistente a todo.

Deux façons de s'asseoir sans jamais rester immobiles. Rocky, le cheval à bascule invincible et indestructible. Pop, la petite chaise légère qui résiste à tout.

Zwei Arten zu sitzen, aber immer in Bewegung bleiben. Rocky, das unbesiegbar, unzerstörbare Schaukelpferd. Pop, ein leichter Kinderstuhl, der aber alles aushalten kann.

Due modi di sedersi senza stare mai fermi. Rocky, l'invincibile e indistruttibile cavallo a dondolo. Pop, la seggiolina leggera ma resistente a tutto.

Birds and Clouds dangle on a thread, they play with the air and light, telling stories that are always different, like the Puzzle Carpet.

Birds y Clouds se balancean colgando de un hilo, juegan con el aire y la luz, cuentan historias distintas cada vez, como la alfombra Puzzle Carpet.

Birds et Clouds se balancent, pendus à un fil ; ils jouent avec l'air et la lumière, ils racontent des histoires toujours différentes, tout comme le tapis Puzzle Carpet.

Birds und Clouds sind auf einer Schnur aufgehängt und schaukeln in Luft und Licht, erzählen immer neue Geschichten wie der Teppich Puzzle Carpet.

Birds e Clouds dondolano appesi a un filo, giocano con l'aria e la luce, raccontano storie sempre diverse, come il tappeto Puzzle Carpet.

*Le Chien Savant has taken it
into his head to make
all children as clever as he is.
What a shame there's not a dog
like him for grown-ups, too.*

Le Chien Savant se le ha
metido en la cabeza hacer
que todos los niños se
convirtan en sabios como
él. Qué lástima que no

en tête de faire de tous les

Los animales siempre tienen un espacio especial en la vida de los niños. Pingy tal vez haya comido demasiado, por eso es tan gracioso mientras se mece sobre su tripa.

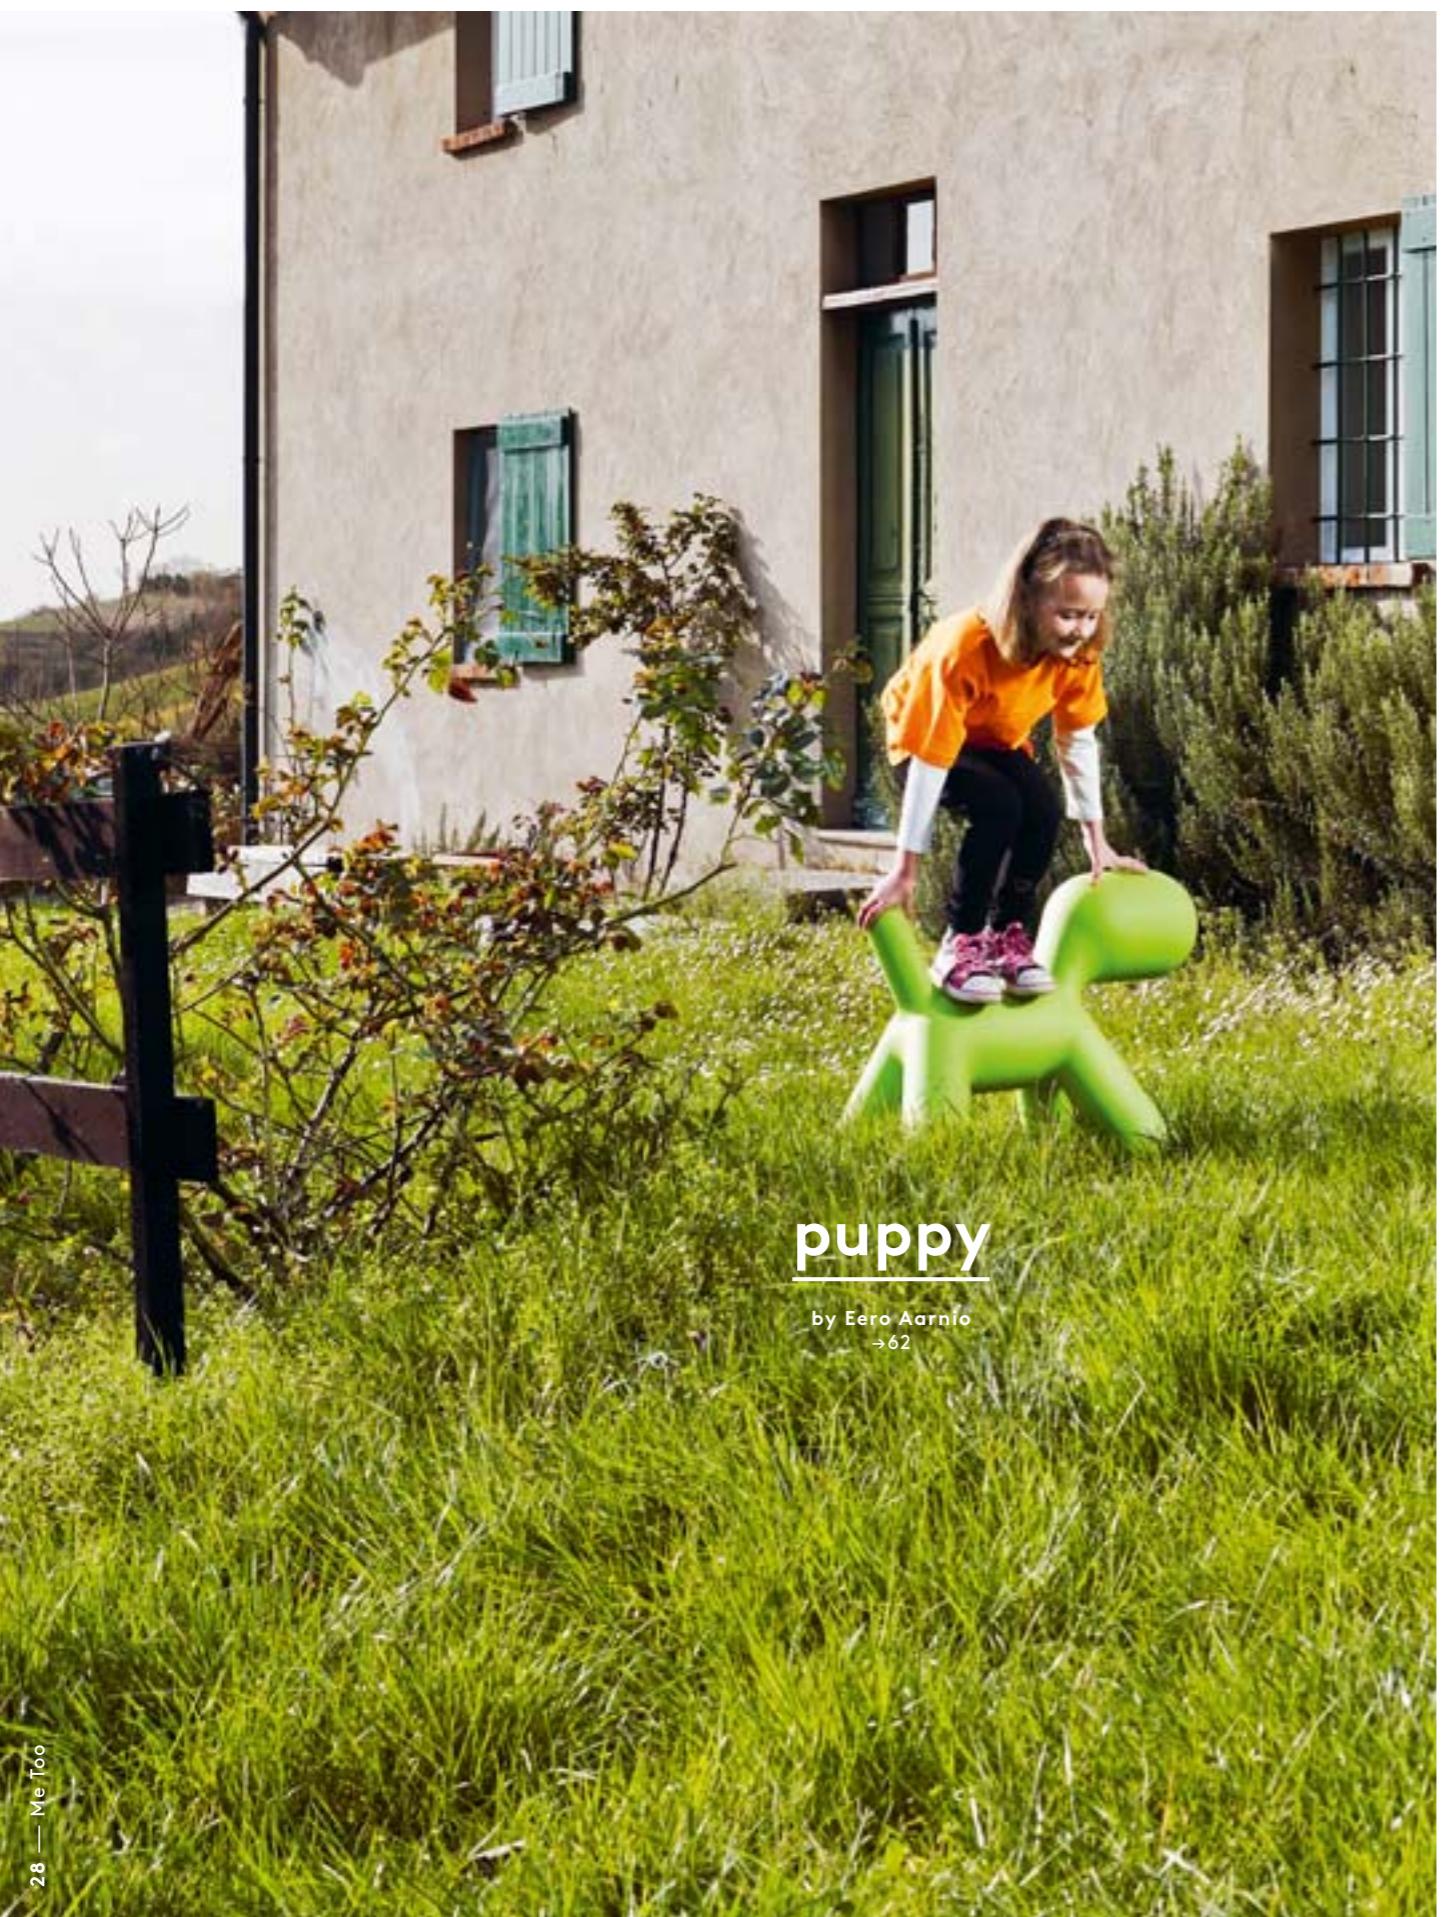

Les animaux occupent toujours une place spéciale dans la vie des enfants. Pingy a sans doute trop mangé, voilà pourquoi il est aussi drôle lorsqu'il se balance sur le ventre.

Tiere spielen im Leben von Kindern immer eine wichtige Rolle. Pingy hat vielleicht ein wenig zu viel gefressen, aber deshalb ist er auch so drollig, wenn er am Bauch hin und her schaukelt.

Gli animali hanno sempre uno spazio speciale nella vita dei bambini. Pingy forse ha mangiato un po' troppo, ecco perché è così buffo mentre dondola sulla pancia.

*Puppy isn't just any dog.
He's as a child imagines a dog when
drawing one for the first time:
head, body, paws. That's why he's so
fantastic, including his colours.*

Puppy no es un perro cualquiera, sino un cachorro imaginado por un niño cuando lo dibuja por primera vez: cabeza, cuerpo, patas. Por eso es tan fantástico, incluso en los colores.

Puppy n'est pas un chien comme les autres, mais un chiot imaginé par un enfant quand il le dessine pour la première fois : tête, corps, pattes. C'est pour ça qu'il est génial : même au niveau des couleurs.

Puppy ist nicht irgendein Hund, Puppy ist ein Hundebaby, so wie es ein Kind zum ersten Mal zeichnen würde: Kopf, Körper, Pfoten. Deshalb ist es auch so fantasievoll: auch in den Farben.

Puppy non è un cane qualsiasi, ma un cucciolo immaginato da un bambino, quando lo disegna la prima volta: testa, corpo, zampe. Ecco perché è così fantastico: anche nei colori.

**What's Mico? Quite simply
anything you want.
A table, a chair, a toy or
a definitely non-imaginary friend

Pero, ¿qué es Mico? Muy fácil, Mico es todo lo que tú quieras. Una mesa, una silla, un juguete, o bien un amigo nada imaginario; más bien con mucho color y muy resistente.

Mais c'est quoi Mico ? C'est simple, c'est tout ce que tu veux : une table basse, une chaise, un jeu ou un ami nullement imaginaire mais plutôt coloré et très résistant.

Aber was ist Mico? Ganz einfach, alles was du willst. Ein kleiner Tisch, ein Stuhl, ein Spiel, ein gar nicht imaginärer Freund, er ist bunt und hält alles aus.

Ma che cos'è Mico? Semplice, tutto quello che vuoi tu. Un tavolino, una sedia, un gioco, oppure un amico per nulla immaginario, anzi colorato e molto resistente.
